Penguin Loves Mev

In the UK

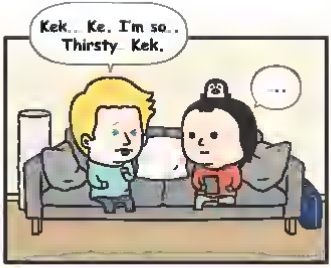
Cheeky!

Sometimes,...

I just don't feel like doing some small things that Mev asked me to do.

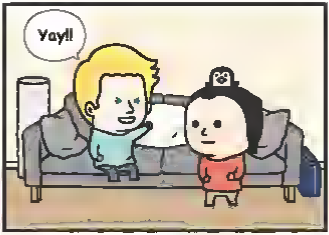
Because these thoughts make me think he is cheeky.

Recent one day,
Mev asked me to make him
a cup of tea.

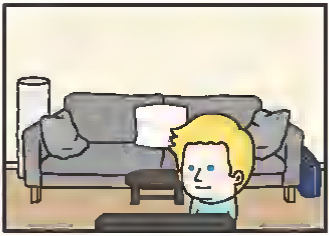


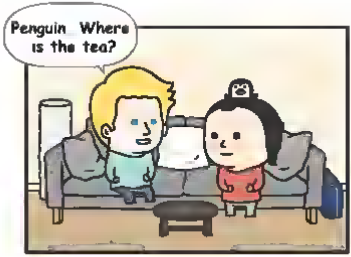
If it was other days, I must have made him what he wanted with no problem, but I just didn't feel like to do

So...



Yay!!

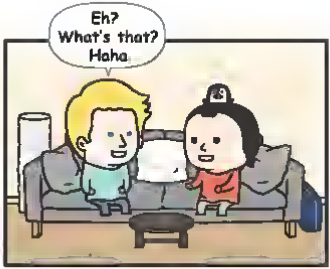




Penguin Where is the tea?

Here it is! A tee that only kind people can see.

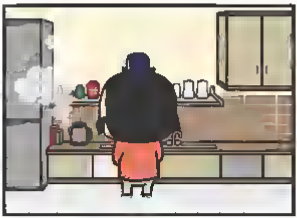
I said this.



Eh?
What's that?
Haha

I can't see any!
So, you've got to be a good man.

After I saw that Mev reacted like this, I felt fine to make him a cup of tea.



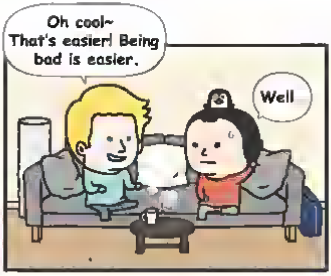
So I made him a cup of tea

Then Mev said.

I felt like he was cheeky again.

No
I changed it.
Only bad people can see this tea now.

Ah~ Good.
That's good!
?



Awwww CHEEKY!!!

A tea that only kind people can see.
